### Charity Workers Predict Welfare Drive Success

Prediction that the United Jewish Welfare Fund drive in Centinella Valley-South Bay section which includes Torrance, would achieve its \$10,000 quota was made by Bert Lynn, chairman and Sam Levy, co-chairman following a meeting held this week.

Volunteers have resolved to score a 100 percent coverage of all prospects as a testimonial to the leadership of Lynn, who was forced to the sidelines recently by illness. The 1953 quota, set by volunteers is nearly double the funds raised in this sector last year, it was pointed out.

The campaign, under the chairmanship of Mark Taper, will conclude June 15.

### Name New Welfare President

Alex Bero, industrial relations supervisor for the Dow Chemical Company, and prominent resident of Gardena, was elected yesterday as new president of the Harbor Area of the Welfare Federation of Los Angeles Area.

Bero replaces Dean Sears, manager of the Torrance branch Bank of America, as Board Chairman. Also elected were Ed Patterson of San Pedro, first vice president; and Jack Dabbs of Torrance, second vice chairman.

At the same time, the Area Board named its members-at-large for two year terms. They are Bert M. Lynn, W. C. Bullock, Frank Elliott, Ira D. Kaye, Rev. Cecil J. England, Mrs. J. J. Millard and Mrs. Bernice Murphy. Named as community members to serve both locally and on the over-all 285 member-Board of the Federation are Mrs. Donald Armstrong, Robert C. Yetter, James L. Decker and Frode Kilstofte.

A little Neglect may breed great Mischief; for want of Nail the Shoe was lost; for want of a Shoe the Horse was lost; and for want of a Horse the Rider was lost, being overtaken and slain by the Enemy; all for want of Care about a Horse-shoe Nail. —Benjamin Franklin

Thurs., May 14, 1953

### Huge Unit Being Built By Douglas

Douglas Aircraft Company, Inc., El Segundo Division, announced that construction of an administration building, 936 feet long and containing 102,000 square feet, will begin immediately at its B-6 location at 190th Street and Normandie Avenue, Torrance, it was disclosed.

Plans for the \$1,082,000 job, a rehabilitation of a structure used during World War II by the Aluminum Company of America, were prepared by Van Dyke and Barnes, Los Angeles architect and engineer. Contract for the construction was awarded to Paul W. Speer, Inc., of Beverly Hills, and is to be completed in October.

Originally a windowless brick shell without staircases, the structure housed rectifiers used in the manufacturing of aluminum. Douglas officials estimated that "hundreds of thousands of dollars" were saved by converting it to office purposes, it was reported.

### Directories To be Sent To Residents

Telephone directory supplements containing new Davenport and Fairfax numbers for Lomita and Torrance will be mailed to subscribers beginning May 25, it was announced this week by Manager R. S. Pyle of Pacific Telephone.

The new numbers become effective when the dial system goes into operation here at 12:01 a.m., May 31.

The manager said the old book must be used until after the cut-over, at which time it should be used only for numbers outside the Lomita and Torrance exchanges.

A new Southern Section edition is scheduled to be delivered next October and will include the new Davenport and Fairfax numbers.

**STILL SEIZED** More than 20,000 illegal stills were seized by federal, state and local liquor agents in 1951.

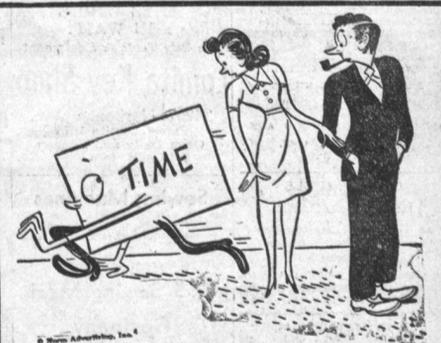

### Eastern Realtor Studies Torrance For Investments

Alter Realty and Insurance, local realtors have just received a request from a prominent New York realtor for a list of local industrial buildings leased to prime tenants or well-located retail properties, as they have a client inter-

ested in investing in real estate in Torrance, according to Gerald Alter, company president.

This indicates that the City of Torrance, as well as the real estate firm of Alter Realty & Insurance, is becoming known far and wide, he added.

The local firm is currently listed in the 1953 year book of the Real Estate Board of New York, as well as the roster of the National Association of Real Estate Boards, which has national distribution, he asserted.

## SUNDAY MAY 31

All Torrance and Lomita telephone numbers will change...

### WHEN SERVICE IS "CUTOVER TO DIAL"

Beginning May 31, our Torrance and Lomita customers will begin using their new dial telephone service. Then, it will be necessary to refer to your new Southern Section Telephone Directory when you wish to dial a Davenport or FAirfax telephone number.

Prior to May 31, you will receive two folders prepared to help you obtain the utmost convenience from your new modern dial telephone service.

Also, yours for the asking, are personal telephone booklets in two convenient sizes to jot down the new Davenport and FAirfax telephone numbers you call frequently. These may be obtained from our telephone business office.

Pacific Telephone
